

2016 Pershing 74

Description

Boat location: Menorca / Balearics, Spain EU-VAT paid! Photo's upon request by mail This Pershing 74 yacht is the natural evolution of the widely appreciated Pershing 72, the initiator of a new aesthetic trend in Pershing's fleet. Just like its predecessor, it is characterised by unique 'open' features ensuring direct contact with the sea. Plenty of natural light, state-of-the-art technology, and a painstaking study of interiors are its key design features. Equally impressive is its maximum speed of 44 knots, which this yacht can reach while ensuring the utmost comfort at all times. It's the pride and joy of the world boating industry as a whole. With only 370 hours this yacht comes in a breath-taking condition and she's well worth viewing! Shipping worldwide.
